trisha_29: ***leans back against the bar...gripping the edge with my hands...leaning back a bit more and pushing up...long legs kicking up and sliding my ass up onto the top of the bar....lifting my legs a bit higher and spinning ....hopping down behind the bar....hmmmmmm.....deciding what i want to drink***
greygriffin20: ***coughs* oh dear**

planenuts: *shuts my mouth by pushing up on my jaw
trisha_29: ***looks up....pushing up on my tip toes...reaching...fingers wiggling...the edge of the little skirt riding up over my tan thighs...barely covering the curves of my ass....grabbing at all glass from the top shelf and lowering down slowly....tugging my skirt back down into place with the other hand***

Bee_passionately_blue: **Thinks she decided to be the entertainment and tease us in luscious ways that inspire us to imagine her as a fantasy**

touchdown366: **watches as she does thinking im thristy lol**
trisha_29: ***spinning again....ass wiggling in the skirt...the stretchy fabric stretching over the cheeks of my ass...clinging to every curve.....placing the bottle of kinky back in its place....shifting and pulling open the cooler door...bending way over as i reach way to the back reaching the jug of oj....singing along as i finish making my drink***

planenuts: the stuff of legend
planenuts: oh the lip lick

Bee_passionately_blue: **tilting my head and appreciating the way the lips parted and then closed over the glass - and the sentiments and suggestions that flowed from the tease**

trisha_29: ***holding my glass in my hand....dancing my way back around the bar....setting the drink down and climbing up to sit on a stool...crossing one long bare leg over the other....giving the edge of the little skirt a tug down....toe tapping in the air to the music***

planenuts: would like to buy a drink but getting to my bills in the bottom of my pocket is so obstructed right now

trisha_29: ***reaches up...tugging the clip from my hair...my head rolling back as i shake out the long various shades of purple hair....arching my back...breasts thrusting forward...threatening to spill out from the little tank top thats barely holding them in.....grinning and taking another sip of my drink as i relax back into the seat***
