paveduck: well, now i'm very interested in the new maid

caramel cupcake: heads off to change, sees outfit 10 hung up ready to be worn

caramel cupcake: except with this outfit, where it shows white on the uniform is black and vice versa

D r a z: smiles watching as caramel takes the freshly cleaned outfit ,,,,,, and keeps an eye on the changing room door

caramel cupcake: rechecks the black seamed stockings, steps into the five inch heels....not sure if I will get totally used to those, and returns to the main room

paveduck: <<is unable to take his eyes off of caramel

D r a z: smilez watching caramel teeter in to the roomgaining confidence as she walks

caramel cupcake: walks to the far end of the Brothel, opens the drapes and moves along the row of windows to let in the lovely moonlight

caramel cupcake: dims the master light in the room and steps out

D r a z: the little dress lifting over the firm brown cheeks as caramel lifts her arms

caramel cupcake: each step I can feel the hips sway and roll in a way that has not been done and I can tell it is quite the roll and sway

ratherbe: mmmmmm caramel you look smashing

caramel cupcake: thank you

caramel cupcake: moves to the study areas, moves chairs back into place as necessary, picks up papers and other trash

ratherbe: oh ty

paveduck: i would have never thought tidying-up would be a spectator sport!

D r a z: grins to see those luscious brown breasts jiggle as caramel goes about her work

caramel cupkake: comes out with an arm full of trash, empties the arms into the service cart trash container, pulls off the vacuum and starts on the far end of the study and works back to the study's entrance

D r a z: hugs hi trisha

caramel cupkake: moves next door, starts the process again and works through the four study areas adjacent to the bar area

D r a z: smiles watch caramels body sway in the maids uniform

caramel cupkake: closes the study doors and locks them, each one to be reopened by the morning crew

caramel cupkake: I can arrange for a private setting if necessary Duck....they keep those open 24/7

D r a z: wipes the bar watching caramel as she walks through the place

caramel cupkake: There are six of those, they recognized that some people may have problem sleeping, so they constructed those reading rooms for that purpose

caramel cupkake: Music is piped in but you would hardly notice it, the lighting is very warm and glowing

paveduck: you are way too good to me, caramel <wink>

caramel cupkake: I am here to take care of the guests the best way possible.

D r a z: wipes the bar and whistles

paveduck: and you do quite well at it, caramel

caramel cupkake: pushes the service cart to the rear of the building and stows it, then returns to the bar area

D r a z: winks at caramel as she walks over to the bar

FoolishHeart26: Trisha..! hello hugssssssss

caramel cupkake: moves to the next table, starts the process over until the table has been spotlessly cleaned

caramel cupkake: being close to the dance stages, I decide to step onto one, grab the pole and move a little, sway and slide around to the music

D r a z: watches as caramel swings on the pole the little dress lifting and falling

caramel cupkake: sways again, slides along the pole, then steps away and hops off the stage, perhaps a little dance may be in order after work

paveduck: we always love your dances, caramel

caramel cupkake: I guess I do owe at least one cage dance since we won the tournament

caramel cupkake: eyes the cage and smiles...winks at Duck

caramel cupkake: goes back to table, but looks over at the cage on occasions, the mind slowly thinking through a possible routine

caramel cupkake: picks up the tray and slowly moves to the bar, steps behind, sets the tray down, then loads the washer with the glasses and lays the other items stacked to the side

D r a z: looks behind a caramel bends down to see the maid uniform ride up

D r a z: laffs as I get caught watching

caramel cupkake: decides to quickly exit behind the bar before something else happens, shakes a finger at Draz, and resumes the table clean up

D r a z: watches as caramel squeezes past me feeling that nubiile warm body as it touches me in passing

paveduck: draz, you're one lucky man

caramel cupkake: pauses long enough to roll the hips against Draz, feels his hand on my back side

D r a z: wipes the bar and laffs feeling better now duck ?

caramel cupkake: Oh sure, you say that to all the brothel maids....

paveduck: wrap my arms around the lovely "maid's" waist

paveduck: lol, draz

paveduck: there are other maids?

caramel cupkake: wiggles in and settles in for a moment, checks out the stockings and the shoes, foolishly tugs at the hem of the outfit

paveduck: need some help with your uniform?

caramel cupkake: No, one of the other girls told me that sometimes the wrong uniform size gets put in place, so the then the outfit doesnt fit as it should but conviently it still fits well enough for one to work

D r a z: whistles ,,,,,, and looks innocently at caramel

caramel cupkake: * watches the rolling count of credit cards maxed out *

paveduck: well, i for one like the curves it shows

caramel cupkake: It does do that, boy does it ever

paveduck: and nice curves they are

caramel cupkake: crosses one leg over the other, watches as the straps holding the stockings in place stretch slightly as the skirt rides a little higher on the legs

caramel cupkake: pulls a couple of the room mints from the apron pocket, offers one to Duck

paveduck: <<looks at those silky smooth legs

caramel cupkake: pops the other into the mouth after opening it

paveduck: thank you, ... minty fresh!

caramel cupkake: These have some real mint to them, none of that artificial stuff

paveduck: real mint, artificial sweetner .. makes them perfect!

caramel cupkake: I heard they did that to cover up

caramel cupkake: well...certain breath odors from being in certain of the upstairs rooms

caramel cupkake: Now I cant verify that, but that is what I was told

caramel cupkake: slides off the barstool and walks around the outer edges and approaches the dance stages and cages...eyes each and starts first on a stage

D r a z: smiles watching caramel as she sets off to the stage

caramel cupkake: moves a little on the stage, steps to the pole and grabs and dips, sways the hips and grinds back to a standing position

caramel cupkake: turns left and rocks slowly, runs a hand over the hip, down the leg

caramel cupkake: spins right and gives the cheek a rub, a slap, then down the other leg

D r a z: smiles watching as the music inhabits caramel

D r a z: grining at the grinding and seductive sways

FoolishHeart26: watching Caramel with admiration as she dance

caramel cupkake: spins slowly around the pole, head back, breasts pushed well upwards to the ceiling....then pauses, steps slowly off the stage and into a cage

caramel cupkake: the thumbs hook the booty shorts and tug a little, working the top of the shorts down slightly

caramel cupkake: turns away from the crowd, rolls the hips and tugs the shorts half way down, giving the audience more than an ample view of the caramel colored booty

D r a z: grins as i watch the shorts slowly slide of the well rounded butt

caramel cupkake: one final tug, and the shorts are down at the knees, and I slowly turn, revealing the lace g string left covering me
