trisha_29: *settles into my seat once again...rolling the cold ice cube around in my mouth...feeling it melting quickly..tilting my head back a bit and swallowing the cold liquid...shivering with a grin and it tickles my throat...slurping at the ice as my lips part slightly*

trisha_29: *feels a little trickle of the cold liquid flow over my bottom lip...lifting my head and looking over at max...darting my tongue out to catch the stray drip and draw it back into my mouth*

Maxillary_Nerve: ***grins as i watch her expert tongue catch every drop***

trisha_29: *reaches up with my fingers...pulling the remaining piece of ice from my warm mouth...slowly running it across my bottom lip playfully...my tongue tip following along*

trisha_29: *grins....holding the ice chip in my fingers...slurping it loudly...leaning my head back a bit and slowly running the very edge of the ice down the front of my throat...my back arching as the cold drips tingle my warm skin and begin to run down over the swell of my breasts and into the tank top...shivering softly*

D r a z: **now shes thunderstruck**

lostdad50: **if trisha keeps it going so am i lol**

dirtyrpgirl: **laughs**

trisha_29: *holding the ice firmly in my fingers..my ass shifting a bit and pushing to the edge of the seat...lifting one leg and resting the toes of my foot on the chair in front of me...feeling the edge of my little skirt ride up over my warm thighs...rocking my knee back and forth with the beat of the music...my hand holding the ice dropping down...slowly rolling the ice cube back and forth across my bare tummy..feeling the muscles tense firmly*

Maxillary_Nerve: ***grinds his teeth***

trisha_29: *a slow grin crossing my face...sliding my free hand down to run my nails from my knee up over the top of my thigh...leaving little red marks against my tan skin...breathing in deeply..feeling the strain of the material of the thin tank top cling even tighter to me*
