

FoolishHeart26 and Bee

FoolishHeart26: stands from my seat.. takes my borrowed cowgirl hat off and place it in the table... pulls the ribbon from my hair.. letting my long wavy black hair flow over my shoulders and back... starts to walk towards the bar.. looks over my shoulder and winks at bee...

D r a z: watches heart

Bee_passionately_blue: I hold the arms of the chair, as I admire your sexiness and gets a grip on my control. I push myself out of the chair and I follow you, at times peeking at your beautiful ass - admiring how fine you are.

FoolishHeart26: undoing the buttons of my checked flannel shirt in each steps.. slips it off my shoulders.. exposing my black and red lacy bra.. bends and unzips my thigh high leather boots... kicks it off aside..climbs up the bar and lays my back down...

Bee_passionately_blue: my eyes gaze at you, stunned by your beauty and how you incase yourself in sexy garments that whisper in what lays underneath - and I find my breath caught. I whisper, you look so fine - like a canvass to be painted on. Fuck... I grin. I turn my eyes to draz, I think the lady wants a body shot. May I have the salt shaker, a lime slice and an ounce of tequila?

D r a z: **wipes the bar down with a big towel and placing out a bottle of tequila and 2 shot glasses and some lime slices and a salt shaker**

FoolishHeart26: hands gripping unto the edges of the bar.. smiling at Draz... my very short jeans shorts barely covering the inner side of my thighs...

FoolishHeart26: flexes the muscles of my tummy.. hands sliding up above my head... holding my breath with anticipation as I smile at bee...

Bee_passionately_blue: I take up the tequila shot and lay it on your tummy, the glass cool upon your skin as I stare nto your eyes transfixed by you. My fingers holding and repositioning the glass as you finish your laughter - the droplets leaving a small pool on your skin. My mind wonders the naughty ways I can come back and consume that taste from your skin.

FoolishHeart26: bites my bottom lip and shivers as the cold liquor trickled my sensitive skin... locks my gaze with yours... tries to control my breathing..

Bee_passionately_blue: noticing how your breathing has caught, I growl so amazed by you. I even off my own breathing, and I guide the slice to your lips and guide it in so the wedge is exposed to my eventual lips.

FoolishHeart26: smiles and holds the slice of lime between my lips... shifting my position a little to settle the glass of tequila .. hands gripping on the edges of the bar harder

Bee_passionately_blue: I once more grin at you, and lower my lips and suckle from the crystals of salt just above your knee, and I allow my tongue to extend and flatten against your skin - licking upwards - licking all the way to where your jeans hold your inner thigh - and I growl there - thinking about licking higher in private.

FoolishHeart26: lets out a soft agonizing with pleasure moan... holding back myself from shutting my eyes close.. looks down at you.. feeling the warmth from your lingering and savoring tongue...

Bee_passionately_blue: see that expression in your eyes and I feel my body heat with your smoldering lust. I hold the side of the bar, and I lower my lips to the glass. I capture it between my teeth and consume it as I throw my head back.

Bee_passionately_blue: My thoughts flow to comparisons like: holding you in intimate places and sucking on you this hard, holding your hair and arching you, and consuming all of your wetness. The liquid is swallowed and I drop the glass into my hand as I ease towards your lips.

FoolishHeart26: uncontrollably archs my back, causing another droplets of tequila flow down my tummy.. whimpersssssss escaped from my lips....breasts erratically moving...heaving...

Bee_passionately_blue: my chest flows upon your breasts in a way pressing you into the unyielding countertop - as I claim the slice of citrus - and I sink my teeth into it and suckle the juice - drawing your lips to mine.

FoolishHeart26: slides my eyes close as I inhale your manly scent.. your sweet breath.. your probing lips makes my head spin.. kissing you passionately back..

Bee_passionately_blue: growls in a primal way as you seem to surrender to me. The peel gently eased from your lips and I whisper, you are so fine. Admiring you.

FoolishHeart26: opens my eyes and smiles at you as I catch my breath... thank you.. that was a wonderful feeling..

Bee_passionately_blue: I return to where there was a splash of the ember liquid and clean you with my lips - and I finally whisper, yes - such erotic foreplay. you awaken my mind.

FoolishHeart26: gasps and bites my lips.. licks them afterwards as your lips tease the delicate spot of my tummy.. rises my upper body up and smiles at you..

FoolishHeart26: sorry Amir.. but.. you need to be 21 to be in here ..

FoolishHeart26: El-SarwyM was bounced from the room by: FoolishHeart26.

Bee_passionately_blue: I with care watch you and whisper, you are so fine. I ease away and slowly offer you my hands to help you off the bar counter

FoolishHeart26: smiles and lets you guide me down the bar.... giving you a warm embrace as my feet touch the ground...

Bee_passionately_blue: I hold you and let you go reaching for your hand to guide you to the chair you were at.

FoolishHeart26: giggles.. ummm.. I just remember now.. I need to retrieve my shirt and boots first... hurries back to the bar and slips the items back to me... lol

FoolishHeart26: eyes on Draz's tongue and Gabi's quivering body..

D r a z: sucking the melted caramel off the thigh with long sucking kisses ,,,,,, stronger suck as i reach the shorts looking up at you with twinkle in my eyes as i lick along the trail where it was making sure i got it all

D r a z: smiles and licks my lips as i taste the caramel

D r a z: wipes the bar down making sure no caramel to spill

Gabriela92: notices my thigh is still a little damp... sprinkles a little margarita salt on it and wonders if Harold could use a little seasoning.

D r a z: pours a shot of Macallans single malt in a whisky glass and slides it over to HR

Harold_Rarius: slides a \$100 bill..

Harold_Rarius: looks like I need some tequila first....

D r a z: tills the billplaces a shot of tequila on the bar

Gabriela92: reaches for a lime wedge, squeezing it as I move it up and down my thighs.

Gabriela92: sprinkles more salt into the lime juice.

Harold_Rarius: admires gabi's thigs...with the salt crystals getting drenched in lime juice..

Harold_Rarius: walks up to her...sliding my hands gently along her legs....lifting them slightly...

Gabriela92: leans back, resting my elbows on the front edge of the bar and peering down the length of my torso at Harold's grasp of my legs.

Harold_Rarius: takes the tip of my tounge and slowly trails it along Gabriela's soft skin...feeling her skin with my tounge as I get the taste of lime an salt..looking up at her through the length of her sexy legs...and into her pretty face looking down at me ..between those perfect curves...

Gabriela92: **hooks my feet under the metal foot ring of the barstool, arching slightly.**

Gabriela92: **runs my open hands up and down my torso from my waist to my shoulders and back, following the contours.**

Harold_Rarius: licks the salt and juice in one big...lick...and placing a soft nip....then licking more all along the length of her thighs....shooting the tequila down

Harold_Rarius: then lifting my head...for one last lick...smiles....that was a delicious shot..

Gabriela92: **graps Harold by the shirt placket and pulls him upward, planting a deep kiss on his mouth, tasting the lime juice and tequila.**

Harold_Rarius: mmmm kisses her back...lifting her up in my arms...as I press her against the bar

Gabriela92: **runs my hand over the top of Harold's head from his forehead to the back of his neck, pulling the kiss tighter.**

Harold_Rarius: trails my hands slowly caressing her sides....all along her body...as I feel the kiss deepen...kissing her back hard

Gabriela92: **gives a playful hint of a flicking tongue across Harold's lips and teeth, then grins and rubs noses together as I break the kiss.**

Harold_Rarius: smiles at gabi...that tequila must be really good

D r a z: **only the best served here**

Harold_Rarius: always Draz..always

Harold_Rarius: watches the rocking hips...very nice

Gabriela92: **drums out the tempo on my bare legs.**

Harold_Rarius: sips my drink and watches those legs move to the beat

Gabriela92: **scoops more caramel up with another apple wedge, tilts my head back, and holds the coated fruit far above my open mouth, letting the sweet, gooey brown stream slowly stretch down and drip onto my tongue.**

Harold_Rarius: watches and sips his drink slowly

D r a z: **smiles watching the stream drip to gabris pink tongue**

Gabriela92: **feels the slight tickle as the fine strand randomly curls into a big, thick drop on the middle of my tongue.**

Harold_Rarius: notices the drop behind the perfect lips..

tigerzjill: ***finds it increasingly hard not to just stare at Gabriela's eating habits***

D r a z: **smiles at jill**

Gabriela92: **pulls my tongue back in my mouth as the stream finally breaks, rolling the accumulated caramel around in my mouth for several seconds before making an obvious swallow of the thick, sweet liquid.**

D r a z: **smiles watching the lips close and the swallow**

tigerzjill: ***gulps and blushes looking at Draz***

Harold_Rarius: smiles and enjoys every drop!

Gabriela92: **glances from Harold to Draz and back, slowly extending my tongue and making a dramatic lap around my lips, re-moistening my lip gloss and making it shinier.**

D r a z: winks at jill ,,,,,,,,,, after watching the tongue on gabris lips

Harold_Rarius: eyes following her...noticing the tounge as it moves so well..

Gabriela92: untucks my plaid short sleeved cotton blouse from my white denim short shorts, and unbuttons it from the bottom up, until just the two buttons over my bustline are still fastened.

D r a z: wipes the bar down

Harold_Rarius: eyes travel along the top...as she unbuttons

D r a z: smiles as i notice the blouse billowout over the firm breasts

tigerzjill: *my eyes following her fingers along the blouse*

Gabriela92: ties the loose shirt tails into a square knot, right below my bra.

Gabriela92: then undoes the remaining upper buttons

Harold_Rarius: eyes glance over the perfect cleavage....and flat abs...smiles...as my eyes trail every inch

D r a z: grins watching the blouse open fully ,,,,,,,,,, revealing the breasts bursting to get out

Gabriela92: fluffs open the upper "V" of the shirt, giving just a glimpse of the lacy edge of the black bra inside

Harold_Rarius: smiles eyes following the edge closely...the laces firmly grasping to the velvet skin..

FoolishHeart26: sneaks back in.. and smiles at Gabi's direction

Gabriela92: runs my fingertips lightly around on my bare tummy, occasionally fondling the little artificial sapphire in my navel pendant.
